

Plants

Year 1

I will identify and name a variety of wild and garden plants.

I will identify deciduous trees.

I will identify and describe the structure of common flowering plants, including trees.

Year 2

I will observe and describe how seeds and bulbs grow into mature plants.

I will find out and describe how plants need water, light and suitable temperature to grow and stay healthy.

Year 3

I will identify and describe the functions of different parts of flowering plants.

I will explore the requirements of plants for life and growth and look at the difference from plant to plant.

I will investigate the way in which water is transported within plants.

I will explore the life cycle of flowering plants.
